## Associate in Applied Science Degree

### *Office Assistant/Finance - A25370*

The Office Administration curriculum prepares individuals for employment as administrative office personnel who use skills in the areas of office management, office finance, legal office, virtual office, customer service, and office software. The Office Assistant/Finance Degree emphasizes skills in accounts payable, receivable, payroll, accounting software (usually QuickBooks®), and general accounting assistant duties.

Course work includes computer applications, oral and written communication, analysis and coordination of office tasks and procedures, records management, and other topics depending on the subject area selected within this curriculum. Graduates should qualify for employment opportunities in a variety of office positions in business, government, and industry. Upon graduation, students may be eligible to sit for industry recognized certification exams.

## Certificate Programs

### *Office Software - C25370B*

The Office Software certificate is designed to provide Microsoft® Office software skills to produce documents, spreadsheets, presentations, and databases. This certificate can be completed in two semesters (one year).

### *Office/Administrative Assistant - C25370E*

The Office/Administrative Assistant certificate prepares individuals for basic skills necessary for entry-level employment, such as keyboarding, grammar, document formatting, paper and electronic filing, and office software applications. This certificate can be completed in three semesters (one year).

### *Office Accounting Assistant/Bookkeeping - C25370F*

The Office Accounting Clerk/Bookkeeping certificate is designed for students who wish to specialize as accounting assistants or bookkeepers. This certificate can be completed in three semesters (one year).

## Career Opportunities

### *Administrative Assistant:*

The Administrative Assistant works closely with the Executive Administrative Assistant, Senior Leadership, and Human Resources, executing a variety of routine and complex administrative duties in day-to-day administrative support for the office as a whole.

### *Executive Assistant:*

As an Executive Assistant, you will play an integral role in supporting various projects for one or more senior executives. Executive assistants work very closely with executives and other members of the immediate team to ensure their days run as smoothly as possible.

### *Office Assistant:*

The Office Assistant will greet visitors and answer phones for the Administrative staff. Office assistants make reservations, maintain credentialing files, and assist department leaders with various clerical duties.

### *Office Manager:*

As an Office Manager, you will maintain office services by organizing office operations and procedures. You will also prepare payroll, control correspondence, and order and maintain office supply inventory.

### *Office Manager/Bookkeeper:*

The Bookkeeper processes payroll and works to ensure all monthly expenses are prepared and paid in a timely fashion. Bookkeepers assist employees with financial questions and manage all banking functions.
