

CTE PATHWAY: Agribusiness Technology (C15100HS)

Career & College Promise (CCP)

CCP provides opportunities for eligible NC high school students to take **TUITION-FREE**, college courses for dual credit (some students may have to pay for textbooks and materials). Taking CCP courses accelerates completion of college certificates, diplomas, applied associate degrees that provide entry-level job skills, and associate degrees that lead to transfer within the UNC System of 4-year colleges and universities and many private institutions.

General Admission Requirements

- College CCP Application
- High School Transcript
- Verification Form

Agribusiness Pathway

Eligibility Requirements

- High School Junior or Senior
- Unweighted GPA of 2.8 or higher, **OR**, demonstrate college readiness in English, reading and math on approved assessments. If GPA is below 2.8, principles/designees can waive the GPA and provide rationale for waiver.

About the Agribusiness Pathway:

This pathway is a portion of the Associate of Applied Science degree in Agribusiness Technology that prepares individuals to manage agricultural businesses and agriculturally related operations within diversified corporations. Potential course work includes instruction in agriculture, agricultural specialization, business management, accounting, finance, marketing, planning, human resources management, and other managerial responsibilities.

Annual NC Wage Range- Agricultural Technicians \$33,900-\$62,300 NCCareers.org

Career Cluster: Agriculture, Food and Natural Resources

You will learn:

- Technical skills and workforce knowledge in small farms and agricultural-related businesses and operations.
- Fundamentals of crop production and government related policies related to agriculture.

Possible Job Titles:

- Agricultural specialist, technician

Possible Employment Opportunities:

- Ag-related businesses such as farms, supply businesses (wholesale, retail), nurseries
- Environmental and agricultural education agencies
