

CTE PATHWAY:

Information Technology - IT Support (C25590HI)

Career & College Promise (CCP)

CCP provides opportunities for eligible NC high school students to take **TUITION-FREE**, college courses for dual credit (some students may have to pay for textbooks and materials). Taking CCP courses accelerates completion of college certificates, diplomas, applied associate degrees that provide entry-level job skills, and associate degrees that lead to transfer within the UNC System of 4-year colleges and universities and many private institutions.

General Admission Requirements

- College CCP Application
- High School Transcript
- Verification Form

Information Technology - IT Support Pathway

Eligibility Requirements

- High School Junior or Senior
- Unweighted GPA of 2.8 or higher, **OR**, demonstrate college readiness in English, reading and math on approved assessments.
- If GPA is below 2.8, principles/designees can waive the GPA and provide rationale for waiver.

About the IT Support Pathway:

This pathway is a portion of the Information Technology Associate of Applied Science Degree. These courses prepare students for computer software and/or hardware to design, process, implement, and manage information systems in specialties such as database services, security, business intelligence, healthcare informatics, and others depending on the technical path selected within this curriculum.

Career Cluster: Information technology, computer science, IT and Technology

Annual NC Wage Range: Computer User Support Specialists \$37,820- \$85,250

NCCareers.org

You will learn:

- Creating, storing, communicating & exchanging information to solve technical issues
